<b>COMMENTS</b>	<b>YEAR: 6to Año</b>	<b>2022</b>
-----------------	----------------------	-------------

<b>1ST REPORT</b>	<p>You show yourself as an active student and interested to learn. Continue working to improve your writing skills, prepare with more patience and time for exams and resort to your folder to check and study new topics. Keep it up!</p>
<b>2ND REPORT</b>	<p>You've been more committed and confident in your learning process, showing enthusiasm and interest in the daily proposals. You're always alert and listen to your classmates' ideas respectfully. You could still develop more autonomy and participate more actively in sharing your ideas and ask for clarification when needed. You can do it!</p>
<b>3RD REPORT</b>	<p>You are kind, respectful and helpful when interacting with your peers and teachers. In this term, you've worked more independently, which has led you to enjoy the classes. It's been a pleasure working with you!</p>
